

## **GSNAC Meeting - Spring 2023 Public Report Virtual**

### **Monday, May 8, 2023**

In attendance: Colleen Dalton (Chair), Ebru Bozdog, Carl Tape, Cecily Wolfe, Andrew Schaeffer, Kent Anderson, Bob Woodward, Bob Busby, Beck Bendick, Lara Wagner, Gavin Hayes, Kasey Aderhold, Frederik Simons, Molly Staats

### **Meeting Objectives and Committee Initiation**

03:00 - 03:05pm      Introductions and Goals (Dalton)  
03:05 - 03:15pm      Brief overview of AC mission and charter (Dalton)  
03:15 - 03:25pm      Perspective and expectations from EarthScope BoD (Wagner/Simons)  
03:25 - 03:35pm      Perspective and expectations from the USGS (Wolfe/Hayes)

### **Recent Activities and Planning Topics for the GSN**

03:35 - 3:55pm      Recent activities for the GSN (Dalton)

- community engagement activities
- what the community values about the GSN
- VBB sensor replacement
- citation study and paper
- common sensor platform initiative

03:55 - 04:15pm      Current planning for the GSN (Dalton)

- transition of IDA stations
- upcoming recompetition
- sustaining NSF support
- demonstration of how GSN data are used and of community support
- key priorities for network and data (from Fall 2022 meeting minutes)
- key priorities for community engagement (from Fall 2022 meeting minutes)

04:15 - 04:30pm      Discussion

### **Action Items**

None

### **Recommendations**

- Request that committee membership and relevant information, e.g. rotating slots, be publicly available on the EarthScope website.
- A Google Scholar page could be made for GSN for a partially passive way to collect/track citations; pre-populated from GSN citation paper and database of references.
- GSN could participate in future efforts to engage international station operators with the IDSC (International Development Steering Committee).

## **Monday, May 15, 2023**

In attendance: Colleen Dalton (Chair), Carl Tape, Andrew Schaeffer, William Yeck, Cecily Wolfe, Ebru Bozdog, Kent Anderson, Bob Busby, Adam Ringler, Bob Woodward, Becks Bendick, Dave Wilson, Rob Mellors, Frederik Simons, Lara Wagner, Kasey Aderhold, Molly Staats

### **Meeting Objectives**

03:00 - 03:15pm      Introductions and Goals (Dalton)

- Brief overview of GSNAC mission and charter
- Expectations from NSF, USGS, and EarthScope
- Discussion of citation issues

### **GSN Operational Reports**

03:15 - 3:35pm      GSN Program Manager report (Busby)

03:35 - 03:55pm      IDA report (Mellors) - *pre-recorded*

03:55 - 04:15pm      ASL report (Wilson)

04:15 - 04:30pm      Discussion

### **Action Items**

- AI(Committee): Email GSNAC chair ideas of how the committee can address potential degradation of data quality/availability due to the transition in management of II stations.

### **Recommendations**

- None
